

Abode Laundry Liquid (Front & Top Loader) Wild Lavender & Mint

Suitable for hot and cold-water washing, grey water safe, and biodegradable, Abode Laundry Liquids are ultra- concentrated so you only require a small amount to give optimum results every wash. Cutting edge technology using plant and mineral based ingredients assist in the removal of stubborn stains without nasty chemicals, leaving your laundry wonderfully fresh and clean.

Our high performing revolutionary liquid is a radical departure from standard green and organic cleaning products. Using plant based natural ingredients, it is free from the concoction of dangerous cleaning chemicals such as phosphates, petrochemicals, zeolites, and optical brighteners- making it a safe choice for you and our environment.
