

Abode Laundry Liquid (Front & Top Loader) Zero

Suitable for hot and cold-water washing, grey water safe, and biodegradable, Abode Laundry Liquids are ultra- concentrated so you only require a small amount to give optimum results every wash. Cutting edge technology using plant and mineral based ingredients assist in the removal of stubborn stains without nasty chemicals, leaving your laundry wonderfully fresh and clean.

Our high performing revolutionary liquid is a radical departure from standard green and organic cleaning products. Using plant based natural ingredients, it is free from the concoction of dangerous cleaning chemicals such as phosphates, petrochemicals, zeolites, and optical brighteners- making it a safe choice for you and our environment.

We've designed the ZERO range specifically for people with sensitive skin, allergies, and chemical sensitivities. It can even be used as a base to add your own essential oils!
