

Abode Laundry Soaker (Front & Top Loader) Zero

Whiter whites, brighter colours and powerful stain removal, that's what our laundry soaker will do! Use to pre-soak before washing, or just add a capful to your normal wash when extra cleaning is required.

Our unique formula uses a revolutionary blend of plant and mineral based stain fighters to assist in the removal of stains and highly soiled garments, offering powerful and effective cleaning without the environmental and health hazards associated with conventional brands.

We've designed the ZERO range specifically for people with sensitive skin, allergies, and chemical sensitivities. It can even be used as a base to add your own essential oils!

Quantity:

- 1kg
- 5kg
- 15kg

Ingredients:

- SODA ASH – USED FOR CENTURIES AS AN ALKALINITY BUILDER, BAKING SODA (FOOD GRADE) – THE STUFF THAT MAKES DOUGH RISE, SODIUM COCO SULPHATE – DERIVED FROM PURE COCONUT OIL.
