

Biopure Whey Protein

Bioactive Undenatured Whey Protein Isolate.

Quantity:

• 404 g pouch (20 serves)

Benefits:

- Nutritional protein supplement for tissue repair, growth and development of bone, and satiety.
- Low carbohydrate, low reactive, highly bioavailable and easily digested protein source.
- Contains naturally occurring bioactive immunoglobulins and glycomacropeptides.
- Pure bioactive protein: BioPure Whey Protein is a bioactive, undenatured whey protein
 isolate with naturally occurring immunoglobulins. BioPure Whey Protein is an easily
 digested food, providing excellent nutritive value. Approximately 23% of the protein in
 BioPure Whey Protein is made up of branched chain amino acids. BioPure Whey Protein
 also provides a high concentration of naturally occurring bioactive immunoglobulins and
 glycomacropeptides.
- Nutritional protein supplement: Adequate protein is necessary for normal growth and development4 and contributes to the growth and maintenance of muscle mass.5 A protein rich diet may decrease hunger.6 Whey protein intake supports satiety via suppressing plasma ghrelin,7 stimulating cholecystokinin (CCK) secretion8 and enhancing the effect of leptin.9
- A pristine source of whey: BioPure Whey Protein contains whey from the milk of pristine, grass-fed dairy herds in New Zealand free of disease, injected hormones, hyperimmunisation, genetic alterations and environmental contamination. BioPure Whey Protein is prepared through a patented ultrafiltration process. Whey is processed at controlled temperatures and pH to prevent the protein from denaturing.

Dosage:

- Adults:
 - Add 1 serve (20.2 g) (3 metric tablespoons) into your choice of beverage, or add
 1 serve (20.2 g) (3 metric tablespoons) into your choice of food.
- Children and adolescents aged 4 years and over:
 - Add ½ serve (10.1 g) (1.5 metric tablespoons) into your choice of beverage, or add ½ serve (10.1 g) (1.5 metric tablespoons) into your choice of food.
- Shake well before use.

Warnings:

 This product is sold by weight not volume. Some settling may occur. Do not use if seal is broken.

Price:

• \$56.80

Ingredients:

- Whey protein isolate (97.36%), natural and nature identical flavours, colloidal anhydrous silica.
- Free from eggs, gluten, wheat, nuts, yeast, soy protein and salt. Free from artificial colours, flavours and preservatives. Contains dairy components and soy lecithin.

Storage:

Store below 30° C
